Dear Parents and Carers,

We have had many children bringing 'fidget toys' or 'chew toys' into school recently. If your child needs a fidget toy, for example has a diagnosis of ADHD, then school will provide an appropriate sensory object for them to use as and when it is needed.

Please do not send your child in with toys, even if you believe they need a fidget/ chew toy, as they will be removed by the class teacher. School has a supply of these objects which are specifically for use in classrooms for children who need them.

If you have any concerns around your child needing a sensory object, please contact your child's class teacher or our SENCo Mrs Martin.

Thank you for your support with this.

Emma Jacox
