Dear Parents/Carers

I am writing to give you advance notice about an increase in our Out of Schools Club prices from September.

We have worked hard over the last few years to keep prices as low as possible so that the clubs are accessible for more families. The cost for our provision has been substantially lower than other wraparound care in the local area. However, many of our clubs continue to make a loss. With the ongoing rise in staffing and energy costs, if we wish to keep our provision open, we are left with little choice but to raise the charges and bring them in line with the costs of other local wrap-around care.

Please see attached an updated price list along with some details about the booking system which will come into effect from September. We will of course, continue to accept childcare vouchers.

We hope you will continue to view our Out of Schools Club as an asset to Hawthorn and one that we very much want to continue running in order to support our families.

Many thanks,

Emma Jacox
