16th October 2017

Dear Parent / Carers

We are nearing the end of the first term at school and your children have settled so well. They have been busy in the Orchard and Barn and found lots of new friends. As part of our continuing development of the school we would like to ask your opinions of the transition your child has received from their pre-school and for yourselves, as a parent bringing your child to school for the first time. We would also like to hear about any things you have really enjoyed during this first term and any things you think we could do even better. Please could we ask that you spend a few moments filling in this questionnaire either online or on paper by Friday 20th October.

Thank you

Catherine Billingham
Deputy Headteacher

<u>Transition to school</u>	Strongly Agree	Agree	Disagree	Don't Know
The initial letter I received from the school gave me enough information.				
The language used in the letter was clear and easy to understand.				
The office staff have been helpful if I have telephoned or called into the school.				
The organisation of the 1 hour familiarisation visits was good.				
My child enjoyed the familiarisation visits.				
The information evening for parents was useful.				
The information evening was just the right length.				
The whole information pack is useful.				
The transition day (the day that all children went to their new classes) was good.				
The home visits helped to answer my questions.				

<u>First term</u>	Strongly Agree	Agree	Disagree	Don't Know
My child settled quickly into school and is happy.				
The literacy evening was informative.				
I feel informed about what my child is doing in school.				
I know how to help my child when they get home.				
I feel well informed about events in school.				
I feel the school listens to me.				

Any additional comments that you would like to make to clarify your answers.

Anything in particular that you have enjoyed this term.

Any further improvements you feel would benefit future parents.
