9th July 2024

Dear Parents/Carers,

As part of our Safeguarding and Child Protection Policy, the only children who are permitted to bring mobile phones into school are those in Years 5/6 **who walk home alone**. If your child does not fit into this criteria, they should not be bringing a phone into school. iPads or smart watches should not be brought into school under any circumstances.

If your **Year 5 or 6** child will be walking home from school from September please complete the form below (even if you have already completed a form). This form also includes parental permission for your child to bring their phone in on the days that they walk home by themselves only.

[Walking home from school and mobile phone permission Years 5& 6 \(September 2024\)](#)

In these cases, the child must hand the phone into the class teacher first thing in the morning and collect it at the end of the day.

Any children bringing phones into school whose parents have not made the office aware, or who fail to hand their phone into their teacher, will have their phones stored safely until a parent is available to collect it.

Thank you for your understanding and support with this.

Best wishes,

Mrs Emma Jacox

Headteacher
