Dear Parent / Carers

Change in School Meal Provision from September 2024

From September Pathfinders have commissioned Kingswood Education Catering to provide our school meals. Kingswood has their own website which you will need to register with to order and pay for your lunches. You will no longer be using MCAS to order lunches from September.

The main differences in the process are:

- Parents place orders directly on the Kingswood website.
- Lunches need to be ordered by Thursday morning at 10 am for the following week. This is a big change but there is an option on the website to have weekly reminder emails set up for you. **However our advice is to order lunches for half a term in advance.**
- You will have direct contact with Kingswood about your lunches and dietary requirements. Please contact them on 01536 201203 or email enquiries@kingswoodcatering.co.uk with any queries.

Please find attached a "School Meal Service Information Booklet" and details of how to register and order your child's lunches. You can register immediately and this is advised as their offices are only open during term time to respond to queries.

Please note that orders for the first week back in September must be placed by Thursday 29th August at 10 am

On Wednesday 18th September Kingswood is holding a Taster Session for parents – please join us in the school hall at 3.30 pm to sample a selection of dishes.

Kind regards
