Dear Parents / Carers of children in KS2

Hot meals for KS2 !

We are very pleased to announce that, as of today, we have been able to secure a contract to offer a hot meal service to the whole of KS2 from January 2018. After the successful introduction of the service for our EYFS and KS1 children we have been working hard with Kingswood, our caterers, to find a solution for the KS2 children. Unfortunately, we will be unable to offer the service in the diner, due to space and time constraint. However, we have looked closely at the logistics and as we have the diner to store all the equipment we will be able to provide the service in the hall with minimal disruption to the school day.

The cost of the service will be £2.30 per day. If your child is currently eligible for free school meals this service will be free. If you have more than 2 children in school, Kingswood offer a 3 for 2 offer whereby you only pay for 2 of your children rather than all 3.

We will be providing a taster session for our KS2 children and families during the first week in December and we will notify you of the exact date as soon as we have it confirmed. For us to provide a fluid service we will need an indication of interest to ensure we have the correct amount of plates, cutlery etc. Please could you fill in the following brief questionnaire and return to school by Friday 17th November.
