Dear Parents / Carers of children in EYFS

We seem to be having some issues with Tapestry this year and have been notified of several parents that have been deactivated from the system and we wondered if we could ask for your support.

If you have a Tapestry login please could we ask that you try to access the system and let us know if you are having difficulties logging on. If you can see the observations that have been added, all children should have at least 5, and can comment please can you let us know so we can sort out any glitches that seem to be happening. Please complete the online form using the link below or return the slip at the bottom of this letter.

I apologise for any inconvenience with this system and hope to get it resolved as soon as we can.

Thank you for your support
