

Hawthorn Community Primary School

EYFS Forecast Sheet

Term 1 2024

This term our theme is:
Ourselves and Autumn

Literacy

We will be learning about letter sounds and how they can be used to read and write. We will explore lots of stories and rhymes, discuss them with our friends and learn how to sequence the main events.

Expressive art and design

We will be learning how to use our new Creation Station where we will explore different painting techniques, junk modelling and malleable resources. We will also be looking at the work of artist Frida Kahlo and creating our own self-portraits.

Maths

This term we will be reciting the number names forwards and backwards to 10, matching number names to representations, subitising (instantly recognising up to 5 objects/pictures) and counting different arrangements of objects.

Physical development

We will focus on developing strength and control in our fingers to help us hold a pencil correctly and write our names. We will practise moving in different ways and work on developing our ball skills.

Library

We will be going to our school library on **alternate Fridays** where we will have the opportunity to share stories and choose a book to take home. Please see Class Dojo for details on the dates we will be visiting the library.

Understanding the World

We will be learning about parts of the body and how we change as we grow older. We will also be thinking about members of our family and how we are the same or different. We will also learn about the celebration of Harvest.

PE will be on a **Friday** for Cherries and Apples. They will need to come to school in their PE kit on this day. We will let you know on Class Dojo when we will be starting this.

This term our wellbeing focus will be on the British Value of **Community**. We will then continue to build upon our understanding of this value throughout the term.
