Dear Parents/Carers,

We are receiving an increasing number of complaints from local residents and other parents about the way in which some of our parents are parking, when dropping off or collecting children. Some of these complaints have photographs attached which clearly show cars parked on double yellow lines and around corners.

As a school we take the safety of our children and parents very seriously. Please make sure you park safely - not on double yellow lines, corners, double parking etc. If there is no space on the roads directly around the school, please park further away and walk in.

I will be forwarding complaints onto our PSCO and will be requesting the traffic wardens to re-visit our school.

Thank you for your co-operation in this matter.
