15<sup>th</sup> October 2024

Dear Parents / carers of LKS2,

In Term 2, I shall be running a Scratch computing club after school for children in **Year 3 and 4**. It will take place from **3:30 – 4:15pm** every **Tuesday**. This will start on **Tuesday 5<sup>th</sup> November** for **7 weeks**.

The club will allow children the opportunity to work together and practice the skills of coding and creating algorithms. These skills are great for children to practise their logical thinking and sequence their ideas. Children can use Scratch to create characters and bring them to life.

This will be a great opportunity for children to develop their teamwork and to express their creative ideas through stories/games or anything else they choose to create.

There are 16 spaces available. Please sign up for this on MCAS (under 'Clubs') by noon on Monday 4<sup>th</sup> November. There is no charge for this club.

I look forward to seeing some of you.

Many thanks,

Miss Harrison
