16 October 2024

On behalf of Home-Start Kettering Area I would like to thank you for your generous Harvest Festival donations.

Home-Start helps families with young children cope with problems in their lives. Local parents are referred to us for many reasons including isolation and loneliness, post-natal illness, ill health, disability or special needs, lone parenting, children's behavioural problems, multiple births and bereavement.

Without support these problems can often lead to more serious issues which can have a negative long-term effect on both the family and our local community as a whole. Our aim is to intervene early before problems become crises and support the families until they are able to support themselves.

Each year, Home-Start Kettering Area recruits and trains volunteers to support parents. As a result, we have seen many lives changed for the better. Each year, volunteers give up over 2,000 hours to support local families.

Your support in helping local families in our community is therefore sincerely appreciated.

With best wishes,

A handwritten signature in black ink that reads 'Nikki Farrar-Hayton'. The signature is written in a cursive style and is underlined with a single horizontal line.
