22nd February 2018

Dear Parents/Carers

Willows, Silver Birches and Redwoods A Walk in the Local Environment

Over the course of the next few weeks we will be walking down to Slade Brook. We will be identifying the river features we have been learning about in our topic. We will also have the opportunity to practise our mapping skills and look at other geographical features in our local environment.

We will not be going into the brook or close to the edge. We will view it from the path which is set back from the brook itself.

Yours faithfully

G Barr

T Butler

L Hedley
