

Hawthorn Community Primary School

EYFS Forecast Sheet

Term 2 2024

This term our theme is:

Stick Man

Literacy

This term will focus on the familiar story of Stick Man. We will learn about the different settings that Stick Man visits and the different characters that he meets along the way. We will also think about the different things that Stick Man is mistaken for. We will use this as inspiration for our own writing.

Expressive arts and design

We will be using a variety of resources and materials to create different models or objects. We will also be doing lots of singing and dancing in preparation for our Christmas Play later in the term.

Maths

This term we will continue to work on recognising and ordering numbers to 5. We will be using our knowledge of number to explore calculations by finding pairs of numbers that equal 5. We will also practise finding 1 more/less than different numbers.

PE will continue to be on a **Friday** for Cherries and Apples. Please come to school in your PE uniform.

Understanding the World

We will be learning about the differences between light and dark and describing and comparing environments. We will look at cold weather as we move into winter and how this compares to the other seasons. We will also be learning about celebrations. We will learn about Diwali and Bonfire Night and why and how they are both celebrated. At the end of the term we will discuss Christmas and look at how it is celebrated in different places around the world.

Physical development

This term we will be continuing to work on our gross and fine motor skills. We will use balls and beanbags to promote control when using equipment and the skills needed for games. We will also be moving to music in different ways.

Library

We will continue to visit the library every other Friday. Please ensure your book is returned so that a new one can be issued.
