Dear Parent/Carer

Reception Screening 2024 – 2025

Every year we ask parents/carers of Reception aged children to complete a questionnaire which enables the School Nurse team to assess your child's health. We are then able to offer guidance and support in relation to any concerns that you may have. We have also created a new webpage which has health information aimed at children in Reception Year and this link can be found below.

www.nhft.nhs.uk/3-5

Below you will find the link that you will need to click on to complete the online questionnaire. If this link does not work, please copy and paste the link and open the questionnaire using the internet browser suited to your device.

If you state that you require support from a School Nurse within the questionnaire regarding a health need, a member of the 0-19 service will be in contact with you. If you feel that you need to speak to us more urgently regarding your child's health, please call our 0-19 Admin Hub on 0800 170 7055 (option 4). You will only need to complete this questionnaire once.

The following link is now accessible and will close on the 31st July 2025.

If you have any difficulties accessing the link which hasn't resolved by copying and pasting into a new internet browser, please email Rachel.andrews@nhft.nhs.uk

Yours sincerely
