23<sup>rd</sup> March, 2018

Dear Parents,

We will be holding an informal KS2 SATs information session next **Wednesday 28<sup>th</sup> March**. During this meeting we will explain about the testing and reporting system and what this year's SATs entail. There will be opportunities to look through last year's tests so that you can familiarize yourself with what is expected of the children.

Because many of you work, we will be running two sessions: one straight after school at 3.30 pm; and the second at 6.30 pm. We envisage the sessions lasting for approximately half an hour and we will be able to answer any questions you might have during the session.

Please return the slip below to indicate which session you will be attending or complete the online form using the link below. We appreciate that because of the short notice some parents may not be able to attend this information evening, and so any paperwork from the meeting will be sent home to parents who are unable to attend.

Kind regards,
