28th November 2024

Dear Parents / Carers

The School Council have been putting their heads together to think of different ways to raise money for charity. This time, they would like to organise a toy and book sale to raise money for the charity Save the Children.

This will be an opportunity for your children to have a good sort out of their toys and books at home which they no longer play with but which they think other children will still get some joy out of. No broken, torn or incomplete toys or books please!

Please send these items into school with your children on Thursday 5th December. The School Council will then organise the toys for sale on the top playground at the end of the school day. There will be a small donation of 50p per item and all monies raised will then be donated to the Save the Children charity.

Any toys left after the sale will be donated to a charity shop.

Many thanks for your support with this.

Miss Barr and Mrs Dickens
