Easter Holiday Homework

Dear Y6 member,

You have worked incredibly hard over the last few weeks and months, and we are SO proud of all of you. You have taken part in tricky lessons, become involved in booster sessions and some of you have even come back after school for some extra learning.

Your homework for the holidays is to try as many of these things as possible:

1. Read your favourite book
2. Sing along loudly to your favourite pop song
3. Bake a cake and share it with your family
4. Go for a lovely walk and feel the breeze on your face and the sun (hopefully) on your back
5. Find a hill and roll down it
6. Tell as many jokes as possible and then laugh until your tummy hurts
7. Spend some time with your friends and talk about everything and anything
8. Play a board game with your family or friends
9. Watch your favourite TV show
10. Dance around your house and wave your arms in the air like you just don't care

If you would like to do some written homework, we have created a link on the school website for you to access some English and Maths. You will need to ask someone at home to print off the materials. The answers are included.

Most importantly, please rest up and re-charge your batteries ready for the final push when you come back to school.

Have a wonderful break,

Kind regards

Miss Blakeley, Mrs Tinto and Mrs Clubley
